Wesleyan, Our

Own Microcosm

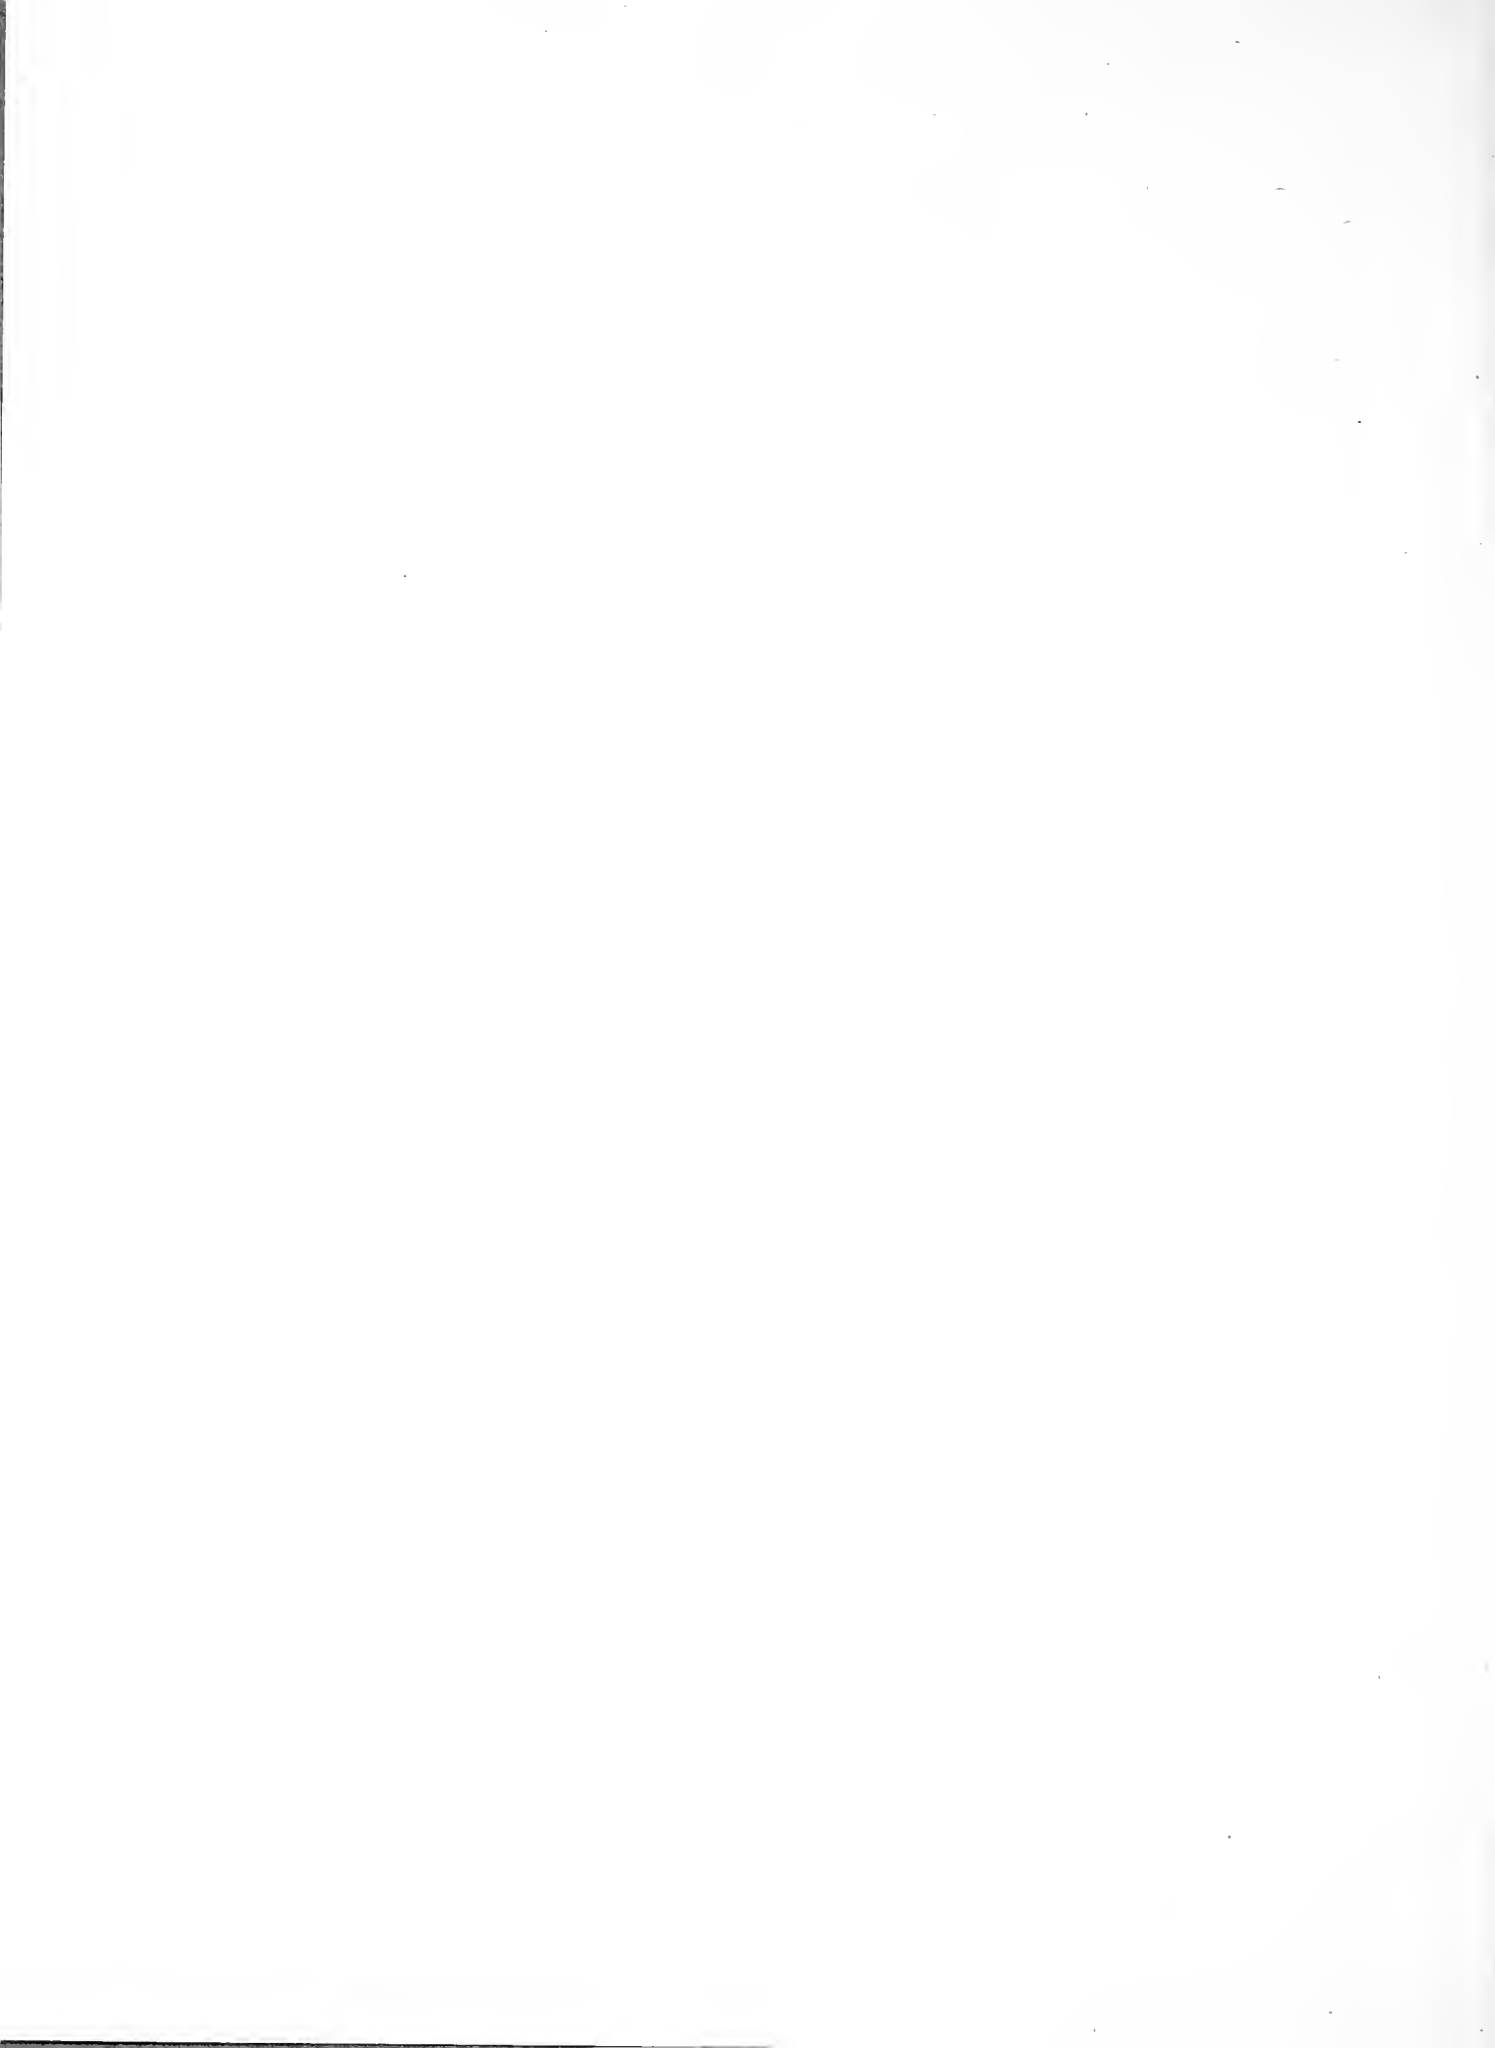

As night drapes itself softly over the campus, we sit and wonder where the year has gone. This year of happiness, friends, work, and frustrations left not enough time to care, to think, to understand the meaning of our being. We hope as you turn the pages of this book you remember and you care for the school which is so much a part of all our lives, and for the people who make up the school. Wesleyan is a microcosm, but perhaps sometime, somewhere, you'll find your place in it and we'll find ours.
